

## **Guingamp Chocolaterie**

- Stephanie My name is Stephanie. I have a chocolate shop in Guingamp with my husband Bruno. We have been running it for 5 years, it's in the Rue Notre Dame.
- Elaine And you make all the chocolate here?
- Stephanie No, we don't make chocolates here, we buy them from the artisan makers in the region, mainly Cotes d'Armor, but all throughout Brittany really.
- Elaine And also you make coffee and tea?
- Stephanie Yes, we have coffee and also green coffee, that we roast – the aroma fills the streets. Everybody loves the smell of coffee.
- Elaine And do they make a particular chocolate that people like?
- Stephanie Yes, caramel versalé – it is a speciality of Brittany.
- Elaine And are most of the clientele French or English too?
- Stephanie We have a lot of English in here, they buy the Breton specialities like caramel versalé.
