

**Lætitia - Baie de Morlaix Tour**

Elaine Lætitia, could you tell us about your job?

Lætitia Yes, I carry about an Association that is called "À fer et à flots" and it's err an association that organises tours by boat and by train in the Bay of Morlaix to discover the whole Bay, the countryside too and we go to the Island of Batz to spend erm the afternoon.

Elaine And how long have you been doing this?

Lætitia Mmm, I've been working here in Morlaix, my office is at, is at the Tourist Office err for eight years now.

Elaine And what other trips are organised by the Tourist Office?

Lætitia Well, the Tourist Office advises about all the things worth err doing or visiting in Morlaix and the area but err the association 'À fer et à flots' err is the one who organises tours, but in the Bay of Morlaix you've got many, many possibilities to to visit by boat, by train, the Château du Taureau, to visit the Cairn de Barnenez, and in the countryside les inclos paroissiaux and all that kind of err organised tours are possibilities, are offered here by, by the people welcoming you in, Morlaix and the area.

Elaine We found your Guide, explaining everything to us err was absolutely brilliant, very clear ... I mean, what a long day for you, what a lot to remember. How do you learn all, all of that information?

Lætitia Well I think the first thing is erm, well I was born here, I live here and I love well the whole bay, that place and I like very much to to learn that, to explain that to people and for me to, to speak in English language is very, well I like that, I cannot explain but err it was a very nice group of people too so it was a very beautiful day.

Elaine Well, it was, we thoroughly enjoyed ourselves. Do the tours go on throughout the year, the one on the boat to the Island or is it just over the summer?

Lætitia Erm, for people, for individual people, we organise from April to October, there is an Agenda, we could say, a programme on the Internet and for the grou..., the groups like you, err we are able to organise that tour all year round.

Elaine      That's brilliant. Thank you so much again for your time, Letitia, it's been great talking to you.
