

Marion - GuidEurope

Rob You're an 'animatrice' for Kreiz Breizh Villages Europe. We've come across you before on Spotlight in Brittany, what exactly does the association do?

Marion The association is, uh, part of a network, European network composed by 11 European villages situated in 11 countries and our organisation organise events between those villages. So they, we organise meetings basically so youth camps or citizen meetings, conferences etcetera. So I'm here to help the association organising....

Rob So it's for young people and for older people at the same time.

Marion Yes, yes exactly.

Rob What do you do for young people?

Marion For the young people we do the Youth Camp each year. So it's a camp with sixty young people who gather in one of the villages, this year it will happen in Central Brittany in August. Probably, it's not sure right now, but with Tommerup in Denmark, Bistre in Czech Republic, Palkonya in Hungary and Pergine in Italy.

Rob That's a very European project!

Marion Yes it's a European project.

Rob And where will they come in Brittany?

Marion They are coming in Central Brittany in the municipality of Lanrivain and they will help renewing footpaths for the municipality and then, at the end of the week, they probably will organise a walk, storytelling walk about their countries.

Rob I think there'll be another item for Spotlight on Brittany.

Marion Probably.

Rob Thank you very much Marion.

Marion Okay, you're welcome.
