

## *Vieilles Charrues – Liliboy of Deluxe*

*Do you have time for just one question in English?*

Yes

*Where do you get your energy from? How do you keep it going?*

I guess it is for the love of music, for the love of being on stage with your best friends.

*Your last album the energy is incarnate, incredible.*

Yeah, on the album too?

Yeah

It's awesome to hear that you heard about us. Do you come from England?

*I am from London but I live in Kreiz Breizh, Central Brittany.*

Amazeballs!

*Where are you from?*

Marseille and Aix-en-Provence. Aix-en-Provence and Marseille : they're close together and uhh ... yah, we love UK. Please talk about us in England.

*I am sorry my questions are not quite as crazy as the questions before ...*

*You're not going to become a dolphin? Possibly?*

*What's your name?*

I am Liliboy and we are Deluxe, and I am getting really stressed out. I am kind of peeing my pants. We are playing in an hour and a half, so I am going to prepare myself.

*In an hour and a half? Go and prepare, go and prepare...*

Yes, we are playing soon and I am getting stressed out.

*I will come and see you play.*

Please come and see us.

*Thank you very much.*

Thank you.
