

## *Vieilles Charrues – Crocodiles fans*

*Why are you dressed as crocodiles?*

Crocodiles yes.

*Why?*

It's because it's funniest and we can see each other easier, in there .. and because there are uhh... Usually we can meet easier people with dress code. People come to us and speak with us and it is really nice.

*Doesn't it.. isn't it very hot?*

Uuuh sometimes yes, but here today it's not so hot, so it's OK, and then when the nights come it is often really cold outside so it's great.
